FUMIGATION

We maintain a modern Fumigatorium, approved by the State Agricultural Commission, for the convenience of those states whose laws require fumigation of incoming plant shipments. This operation is supervised by local horticultural inspectors. However, Select Nurseries, Inc. cannot assume responsibility for any damage or loss due to fumigation.

This service is rendered at our cost which is as follows:

2 1/4" pots	0.02	5 gal.	0.25
3" pots	0.04	7 gal.	0.40
1 gal.	0.07	15 gal.	1.00

Filling the Fumigatorium.

S H I P P I N G

All shipments are made by semi-truck. A full load will consist of approximately 4,000-1 gallon containers or 650-5 gallon or a combination of both. A combination or split load consists of several orders each consigned to different purchaser.

When ordering a truckload beyond our free delivery area, packing, loading and bracing are free.

Approximate Weights of Plants in Following
Container Sizes:

1 gal. cans.	8 lbs. each	15 gal. cans. 135 lbs. each
5 gal. cans.	50 lbs. each	2 1/4" pots . . . 3/10 lb. each
7 gal. cans.	60 lbs. each	2 1/2" RP 1/2 lb. each

P A C K I N G

There is no charge made on packing lining-out stock (2 1/4", 2 1/2" RP and 3" pot-sized plants). Each order is securely packed in sturdy, lightweight cartons. Please remember that shipping the larger plants (1 and 5-gallon sizes) by express or public motor freight is very expensive. Not only are the transportation rates high, but it is necessary that nursery stock be packed, which means a packing charge as follows:

1-gal. cans.	0.35	Labor and materials for	
2-gal. cans.	0.50	stacking flats	0.35
5-gal. cans.	1.00	Flat cost	0.25

Liners

A partial view of one of our liner lath houses.

We are one of the largest contract growers of liners in California. With our ultra-modern propagating facilities, where we are on a disease free program, our cuttings receive the "little extras" that add up to stronger rooted liners. We will be more than happy to go over your future liner lists, at your convenience, and quote prices that we feel will be to your liking.

Our cuttings receive constant attention.
